

# RESOURCE BAG

## FEBRUARY 2026

This month, in **Telling God's Story**, your family will recreate the city of Jerusalem to portray Christ's life from Palm Sunday to his Resurrection. We would love to see pictures of your creative storytelling. Watch the Story videos part 1 and 2 to see the whole story.

The February Spiritual Practice is **Healthy Living**, and our ATS Fitness Team has events to encourage us to eat healthy, move more, rest in God's presence, and serve others. Sign up to be a part of these wonderful opportunities. RSVPs are needed for childcare in weeks 1 and 3.

We hope you enjoy all of the resources this month, and don't forget to let us know which parts were your family's favorites. Look for the following items in your bag: (we've noted the approximate time commitment for each activity).

1. **40 Lenten conversation cards** from our friends at [Vibrant Faith](#), fellow Lilly Grant recipients, who are graciously sharing their resources with us. Use these Conversation Cards beginning on Ash Wednesday, February 18<sup>th</sup>. They are great in the car or anywhere on the go! Read and discuss one card a day. **(2-3 minutes per card)**
2. **Creative tools to tell and interact with God's story:** a gold bag filled with story pieces and rhyme cards for toddlers and their families. Families with teens, you have supplies for a special art activity this month.
3. **February Curriculum pages** - Parents, read through these before you engage your children in the monthly activities. **(7 minutes)**
4. This month's book is ***The Techwise Family***, by Andy Crouch. This book was a favorite of our team and last year's cohort. You will be invited to an extra lunch on Wednesday, March 4<sup>th</sup>, to discuss Technology and Children with Dr. Russell Hall in Cordelia. Older children and teens can read this with you. It is a valuable resource. **(Read a little bit each day)**
5. Instructions for a new way to play the **Values Card Game**. Family members will share ways they exhibit these values in their lives.
6. A snack to help you tell God's Story this month. **This snack will go fast.**
